

DENEYSVILLE RATEPAYERS ASSOCIATION

YOUR VOICE – YOUR CHOICE

The aim of the Deneysville Ratepayers Association (DRA) is to be a pre-emptive and pro-active organization, creating a village community we can all be proud of.

While there is always a strong element of politics in local government, we are a non-political association, and shall strive to remain so. Our biggest aim is to make people aware of their village issues, and to represent their interests to the municipality.
